BURGERS

X BURGER simply means cheeseburger! An 'x' (xis) in Brazil sounds the same as the way Brazilians mispronounce the 'ch' in cheese when speaking English. So, many burger bars in Brazil abbreviate cheeseburger as X Burger on their menus. Lots of variations stem from the term as you can see below.

All our X BURGERS are served with bun, cheese, tomato, lettuce and house mayonnaise. You can choose either 5 inch or 7 inch X Burgers.
